The Chief Justice of India, Shri NV Ramana, launches the e-Courts services mobile app 2.0 with a multilingual option

- Chief Justice of India, Justice N.V. Ramana, who is also the Patron-in-Chief of the e-committee of the Supreme Court of India, launched the e- courts services

mobile app 2.0 in the presence of Dr. Justice D.Y. Chandrachud, Judge, Supreme Court of India & the Chairperson of the e-Committee. The distinguished guests present during

the launch include judges of the Supreme Court Justice S. Ravindra Bhat, Justice Abhay Shreeniwas Oka, Justice C.T. Ravikumar, Chief Justices from various High courts, senior High Court Judges, Secretary, Department of Justice, Mr. Barun Mitra, Additional Solicitor General of India, Tushar Mehta, NIC officials, DOJ officials and other invitees.

- The e-courts services mobile app 2.0 was launched in the working session on “Technology and access to justice - A vision for future” held on 27 November 2021 at Vigyan Bhawan during the Constitution day celebrations of the Supreme Court of India.
- Dr Justice D Y Chandrachud chaired the working session and laid emphasis on the reliance on technology in order to enhance access to justice. He also spoke in

length on the digital divide and addressed the importance of digitization, data privacy, data security work of the e-committee. Mr Barun Mitra Secretary, Department of Justice provided an overview of the e-courts projects and the various coordinated efforts made by the Department of Justice.

- Justice Rajiv Shakhder of Delhi High Court, spoke on data privacy and data security initiative of the e-committee and the sub-committee working on it.
- Ashish J. Shiradhonkar, Scientist-F, HOD e-Courts Project NIC Pune, presented some of the key features and enhancements of the e-courts services mobile app 2.0.
- Vice-Chairperson of the e-committee, Justice R.C. Chavan made the concluding remarks in the working session.

New enhanced features of e-courts services mobile app 2.0

- **Multilingual support in regional languages:** The app provides enhanced accessibility through the multilingual facility. The app is currently available in 6 languages - English, Hindi, Marathi, Kannada, Gujarati, Tamil. Soon, it will be available in other regional languages as well.
- **App sharing:** The app can be shared with others through various messaging apps like WhatsApp, Telegram, Facebook, Gmail, Signal, GIMS, etc. The share icon is located at the top right corner.
- **Linked to the e-committee Youtube channel & Social Media:** The e-committee YouTube channel and training videos can now be accessed through the updated version of the app.
- **Adding Notes:** Facility to add and save notes related to the case has been provided. The added notes will be visible whenever case history is viewed.

- **Accessibility:** The app is now accessible to a wider group of users with the newly introduced accessibility features. Persons with visual disabilities can also use the app.
- **Configure Options:** The 'Configure' menu has been renamed as 'Settings'. The app provides the facility to set default selection of District Court, High Court or both.
- **Case status display:** The app has the facility to display the stage at which the case is, in the Calendar. Nature of the case's disposal and the next date/disposed date are available for ready reference.
- **Theme Personalize option** provides the facility to select themes (colours) from 5 different colours.
- **Import/ Export Facility** of exporting (to take a backup of) cases saved in

portfolio to Google drive/own device/Gmail has now been made available on the iOS platform.

- **New Links of the mobile app:** Links to the e-Committee website and other e-Courts applications have been added.
- Tutorial on the new updated version of e-courts services mobile app 2.0 has been made available on the e-committee website. Click the link to watch the tutorial
- <https://ecommitteesci.gov.in/video/ecourts-services-mobile-application-2-0/>
- Download the updated e-courts mobile app 2.0 from the link given below and if you have already installed, update it to the new version 2.0.

Dr Justice D.Y. Chandrachud Inaugurates the Virtual Court (Traffic) & e-Sewa Kendra at District Courts of Uttar Pradesh

On 1 November 2021, Chairperson of, eCommittee inaugurated “e-Sewa Kendra” and “Virtual Court (Traffic)” at the district courts of Uttar Pradesh in

the august presence of Justice Rajesh Bindal, Chief Justice, High Court of Allahabad, Justice S.P. Kesarwani, Chairman, Computerization and

Digitization Committee and other members of the computerization and digitization Committee.

“E-Sewa Kendra” and “Virtual Court (Traffic)” have been a prime focus for enhancing the efficiency of judiciary on e-platform. Accordingly, incessant efforts have been made to provide these essential e-services to the advocates and litigants.

E-Sewa Kendra’s is made available now in all the district courts of Uttar Pradesh, from where the necessary information and assistance regarding the case details, e-filing of cases, hearing details of cases, procurement of stamps, online payments and other relevant queries can be provided through a single window.

Another important project i.e. Virtual Court (Traffic) which is running in 2

districts of Uttar Pradesh, has also been established and inaugurated in other 8 vital district courts namely Agra, Faizabad, Bareilly, Gorakhpur, Kanpur Nagar, Lucknow, Ghaziabad and Varanasi. The remaining district courts of Uttar Pradesh are mapped with these 10 virtual courts as per their locations.

By successful implementation of Virtual Courts (Traffic), the disposal of e-traffic challans can be ascertained easily and quickly through paperless mode.

Inauguration of Officers and Staff Management and Information System (OSMIS) at High Court of Patna

On 1 November 2021, Chief Justice Sanjay Karol inaugurated the OSMIS Software in the presence of all Judges at the new Centenary Building of the High Court. This software has the facility to enter the service record details and all other relevant details of all the employees of the Patna High Court. This software has the facility to enter the service record details and other relevant details of all the employees

of Patna High Court. It has a unique feature whereby all relevant information of High Court employees including their postings, educational qualifications, retirement date etc. as well as vacancy accruing in coming month and strength of institution, gender ratio and age group can be seen with the click of a mouse. The Chief Justice and Justice Vikas Jain have played a pivotal role in

conceptualizing, monitoring and guiding the technical and administrative team for the successful launch of this software.

The software will help the High Court Administration in enhancing its efficiency and bringing more transparency to ensure better administration of justice.

e-Court Fees Ticket cancellation at copying section Samastipur and updation of reason for delay from Court Room

E-pay Services at Bihar

E-Pay Services started for advocates and litigants at Nawada Bihar.

Production of Other State accused, witness through VC

The VC facility is used for the production of accused and witnesses from other states as when required.

District Court Madhubani, Bihar Youtube Channel:

YouTube Channel e-Courts Project/District Court Madhubani has been created for making awareness on e-Court Services. Click to watch:

Inauguration of Model Virtual Courtrooms at Orissa High Court by Dr Justice D.Y. Chandrachud

On 1 November 2021, Chairperson of e-Committee inaugurated two Model Virtual Courtrooms in the District Court complexes of Angul and Nayagarh to facilitate conducting court proceedings through video conferencing in accordance with the Orissa High Court Video Conferencing for Court's Rules, 2020 (VC Rules).

To address the delay caused by non-attendance of far off witnesses,

particularly official witnesses, the High Court amended the VC Rules to the effect that courts shall ordinarily resort to examining official witnesses in virtual mode. A coordinated effort was made with officials of State Government and the Director General of Police to ensure that the model virtual courtrooms are available for use by courts, remote points and VC Coordinators (as per the Orissa High Court's VC rules)

A Model Virtual Courtroom in a District Court Complex shall be available for common use by various courts in the districts, as per need. These courtrooms have the facility of sharing live images of depositions or objects from the CourtRoom through a Document Visualizer. To ensure optimum usage the District Judges of both districts, in coordination with Judicial Officers, schedule cases in advance. The Inaugural Event can be watched by clicking the following link <https://www.youtube.com/watch?v=zV2vekTfNr0>

Prisoners E-Custody Certificate System of High Court of Orissa

E-Custody certificate system was

launched by the Orissa High Court in coordination with NIC's e-Prisons System and office of Advocate General of Odisha E-custody certificate System provides comprehensive information of prisoners such as the identity, address, case(s) for which he is in Jail, antecedents, period of sentence undergone etc.. Requests for generating e-custody certificates can be submitted by any authorized official of the Advocate General's Office, and can themselves generate, download, print the e-custody certificates directly by logging into the e-custody portal. Presently, the project has been launched on pilot basis with details of prisoners in Choudwar Jail, Cuttack and Special Jail, Jharpada, Bhubaneswar available for generation of e-custody certificates.

Automated e-Mail facility of Orissa

The automated e-mail facility was launched by Orissa High Court for expeditious dissemination of case information, such as orders and judgments, to the stakeholders in State Government. Digital copies of such orders and judgments are automatically emailed to the e-mail ID of the concerned official of the State Government as soon as such order/judgment is available. To smoothly send e-mail messages, organization or department names are tagged during case filing and master file of all Government departments is maintained in CIS. The facility was launched by the Chairperson of e-Committee on 1 November 2021 in virtual mode. Since its launch, a total of 3569 automated e-mail messages have been sent to a large number of Nodal officers of the State Government spontaneously sharing relevant

orders of the Court for timely compliance.

Opening of e-Filing Stations (e-Filing Help Desks) in District Court complexes of Nuapada, Puri and Bhubaneswar

In addition to conducting the hands-on-training programme for advocates, one e-filing station (e-Filing Help Desk) has been opened in the District Court complexes of Nuapada, Bhubaneswar and Puri on 13 and 28 November 2021 respectively, for hand holding and providing all kinds of assistance to advocates wishing to e-File their cases in any Court across the State.

The Inaugural Event can be watched by clicking the following links

Installation of Braille Printer for the visually challenged by High Court of Madras

The High Court of Madras has installed “Braille Printer” for the use of visually challenged persons at the Principal seat and Madurai Bench of Madras High Court initially to provide access to the visually challenged Advocates and litigant public with effect from 15 November 2021.

Advocate Information and Management System (AIMS) implemented at High Court of Madras

The Advocate Information and Management System (AIMS) is a project/facility for dissemination of Citizen Centric Service and has been implemented at the Principal Seat of

Madras High Court with effect from 15 November 2021, to facilitate advocates in mapping their mobile numbers with the legacy cases (mobile number not updated cases) based on their respective enrolment number and appearance of cases. The advocate could login in the system using his enrollment number and could add cases to his list for

which he/she is appearing for. The Court officials would verify and approve the appearance of the advocate for a particular case mapped. The advocate would receive case information as to listing and adjudication of all the mapped case

through SMS. The advocate is also provided with a VC link to participate in the court proceeding, if the mapped case is listed on the (current date). The Module is available at <https://www.madrashighcourt.tn.gov.in/aims..>

Document Pagination Module at High Court of Madras

S.No	Document	Date of Filing	Filed By	Party Name	From No	To No
1	DOCKET	23-09-2021	R.Srinivasan	Tel South India Engineering	1	1
2	Index	23-09-2021	R.Srinivasan	Tel South India Engineering	2	2
3	Petition	23-09-2021	R.Srinivasan	Tel South India Engineering	3	5
4	Adjourn	23-09-2021	R.Srinivasan	Tel South India Engineering	7	13
5	empowerment	23-09-2021	R.Srinivasan	Tel South India Engineering	14	17
6	WARRANT	23-09-2021	R.Srinivasan	Tel South India Engineering	18	19
7	Basis	23-09-2021	R.Srinivasan	Tel South India Engineering	20	21

The Document Pagination module the online facility to ensure chronological paging of the paper book of each petition/ appeal filed in the Principal Seat of the High Court. It provides information as to Last Pagination Number and Next Pagination Number of a case through web-interface.

The Module is available at <https://www.madrashighcourt.tn.gov.in/pagination> from 15 November 2021. The Advocates/Party-in-Person could verify the last page number/next page number in High Court's Kiosk/official website and paginate the additional papers/documents that are to be filed in an already existing case. It ensures that the Judges and advocate/party-in-person work with the same pagination.

Implementation of Accessible water mark and QR Code in Judgments and Orders of High Court of Madras

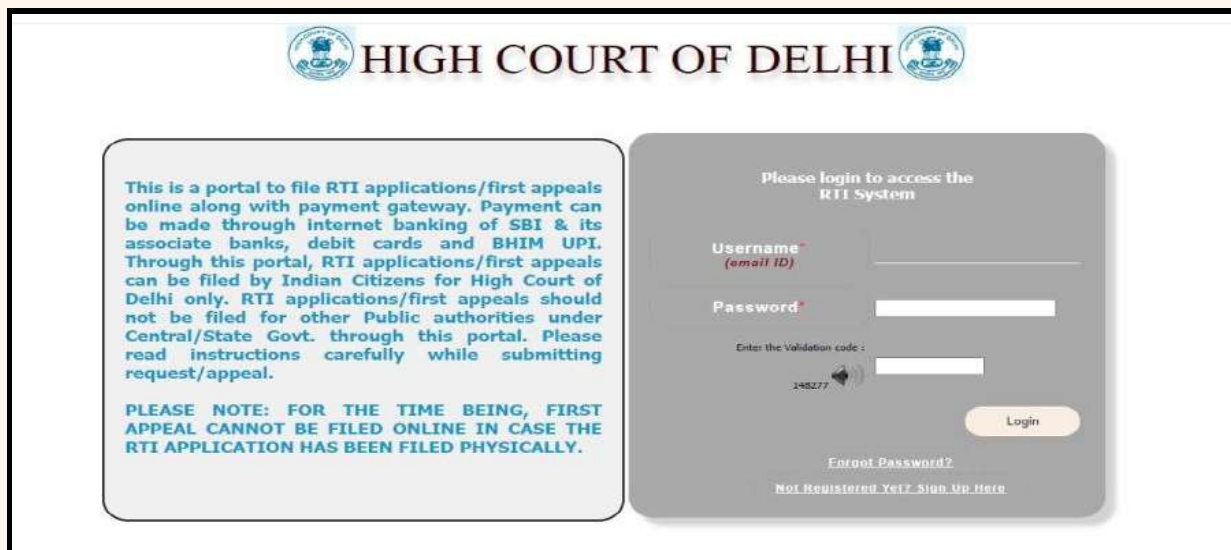

As envisioned by the Chairman of E-Committee, accessible water mark and QR Code is embarked in the Orders and Judgments of the Principal Seat of Madras High Court. QR Code feature is now being enabled to ensure authenticity and accessibility. The QR Code enables the user to view the web copy of the Orders and Judgments hosted in the website instantly through the Smartphone by scanning it.

Integration of Madras High Court's Case Information System (HC-CIS) with Court Cases Monitoring System (CCMS)

The Madras High Court has integrated its Case Information System (HC-CIS) with Court Cases Monitoring System (CCMS) for the purpose of sharing of court data and documents pertaining to State Government. This system helps the government to monitor the cases in

which the government itself is a party and to respond better on the pending cases. The concerned stakeholders (State Government) will be informed about the cases on the hearing dates. It helps the concerned officials to file the necessary counters and rejoinder within appropriate time.

Launch of online RTI portal in the High Court of Delhi

The High Court of Delhi launched an e-portal for filing/receipt of RTI applications and deposit/payment of fees and other charges in respect thereof. The RTI web portal can be accessed by using the link <https://dhcrti.nic.in/RTI> which is available on the homepage of the official website of High Court of Delhi www.delhihighcourt.nic.in under the following heading of – “e-RTI Portal”.

The e-portal facilitates the filing of RTI applications/first appeals online along with a payment gateway. Payment can be made through internet banking of State Bank of India & its associate banks, debit cards and BHIM UPI. Through this e-portal, RTI applications/first appeals can be filed by Indian citizens for the Delhi High Court only.

Justice Clocks Upgraded for displaying awareness videos of the National Lok Adalat at Rajasthan High Court

Two Justice Clocks, which are the LED Video Walls, for information dissemination and creating awareness about disposal of cases and various other services provided by court complexes to the public, are functional in Rajasthan High Court, Principal Seat at Jodhpur and Bench at Jaipur. Justice Clocks is also used for displaying live data of NJDG and other information. Now it is upgraded to display videos for creating awareness of Lok Adalat by showing all its benefits. This feature will also be useful for displaying various court events. Thus, Justice Clocks is also now used for multifarious purposes and has become more beneficial to serve the interest of various stakeholders.

Software to manage transfer/ postings of Judicial Officers of Rajasthan

Technical team of Rajasthan High Court has indigenously developed a unique software for managing the administrative task of transfer/postings of Judicial Officers. The database of complete posting details of all the Judicial Officers of Rajasthan has been developed and the above software intelligently uses this data for transfer/posting of the Judicial Officers. The software automatically takes care of all conditions which are to be applied while effecting the transfer/postings. Thus, the earlier time-consuming task, has now been minimized to a great extent and the work is being done with accuracy and efficiency. The above software will further be extended to all other service related tasks of the Judicial Officers.
